Full-Time

The Capital Girls' Cup will be administered by Full-Time.

Email Notifications

One of the key aspects to Full-Time is that it provides The Associations with the facility to have fixtures and referee appointments automatically emailed to clubs and referees on a "need to know" basis. We will send the emails when the fixtures and/or appointments are created or adjusted and as a reminder closer to match time.

Club Secretaries have been set up as the contact to receive the automatic email notification. However, each Club may login to the Whole Game System and either replace the "Team Full Time Email Contact" or add further contacts (e.g. if you want the team managers to receive emails as well as the Club Secretary). We recommend the second option as the

Club Secretary should still ensure they receive the email notifications as well. There is no limit to the number of Team Full Time Email Contacts that can be set up for each team.

SMS Text Messages – Reporting Results

Another key aspect is that this system provides The Associations with the facility to have results sent in by SMS Text Message from Clubs. These will be published immediately on the County website. Full-Time sends the SMS prompts and receives results from both the home and away teams. Please note that Full-Time displays the latest score that it has received so if you make a mistake with the result you can text it in again.

The format of the text message you will receive is as below. Please note CHED and ARSD is the short code for the teams which is important when you are texting in more than one result.

FA Full-Time Results: CHED v ARSD, Sun 12 Feb 14:15. Reply with H-A score & Code CHED, followed by Pens if required.

The Team Administrator may therefore be required to send back up to 4 pieces of information:

1. Score – the score after normal time in the usual way
2. Short Code (for your team) – if required to submit a short code this identifies which team are involved.
3. Penalty Score – the score after penalties, followed by PEN (it is essential that PEN is included, to identify the scores beforehand applies to penalties)

Examples:

All of the following examples assume that no team code is required:

2-1 Reports that the home team won 2-1 in normal time

2-2 4-3 PENS Reports that the home team won 4-3 after penalties; the game having finished 2-2 at the end of normal time, with no extra time played

The SMS contact will automatically be selected as the Club Secretary (assuming you have provided us with a mobile contact number). If you wish to nominate someone else please contact the County that is administering you Cup and provide the relevant details. **Please note that only one SMS user may be used for each team.** If your League is using Full-Time it will not affect any of the details you have set up with your League.
